Mission Of Vehicle Wash**Cleanliness**

A car wash aims to achieve the highest level of cleanliness possible, ensuring that the vehicle is spotless inside and out.

Efficiency

Car washes strive to provide a quick and convenient service, minimizing the time customers spend waiting.

Customer Satisfaction

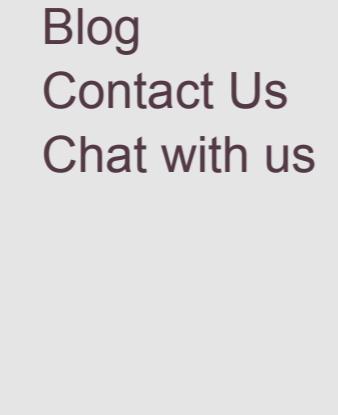

A positive customer experience is crucial, with car washes aiming to exceed customer expectations through quality service and attention to detail.

Environmental Responsibility

Some car washes prioritize using eco-friendly products and practices, minimizing their environmental impact.

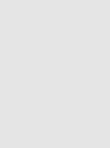

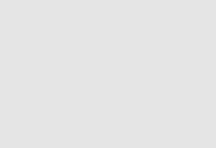

Preserving Vehicle Value

Regular cleaning can help maintain a vehicle's appearance and resale value, which is an important aspect of car wash services.

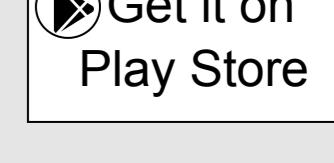

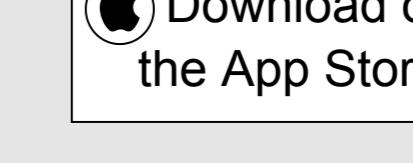

Straight from our customers

Really happy with the car wash service. The guys were on time. I really liked the use of premium items. Highly

FASTag is Mandatory

Indian government has mandated that all four-wheeled vehicles have a FASTag affixed to their windshields effective from April 20, 2025.

Recharge FASTag on the go!

Imagine not being worried of the FASTag balance or getting blacklisted on your long trips while you zip past toll-gates. Your trips, your way! FASTag is mandatory.

- ✓ Recharge on the go in seconds
- ✓ All major bank FASTags are supported
- ✓ Get rewarded on every transaction

Avoid Double Charges

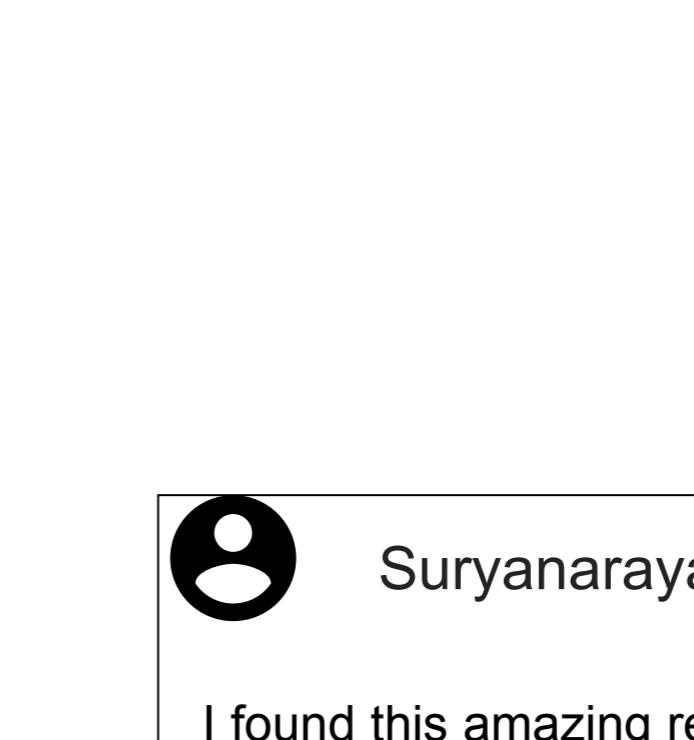

You should be ready to pay twice the toll tax at each toll plaza you pass on the Indian National Highways if you possess a four-wheeler and don't yet have a FASTag.

- ✓ Avoid FASTag blacklisting
- ✓ No double charges
- ✓ Enjoy trips peacefully

How it works?

FASTag is mandatory encourage digital fee payment, shorten wait times, reduced fuel usage, and provide a smooth transit across major highways.

- ✓ Maintain sufficient balance
- ✓ Anywhere, anytime recharge
- ✓ Fetch balance on the app

We Simplify Car Ownership

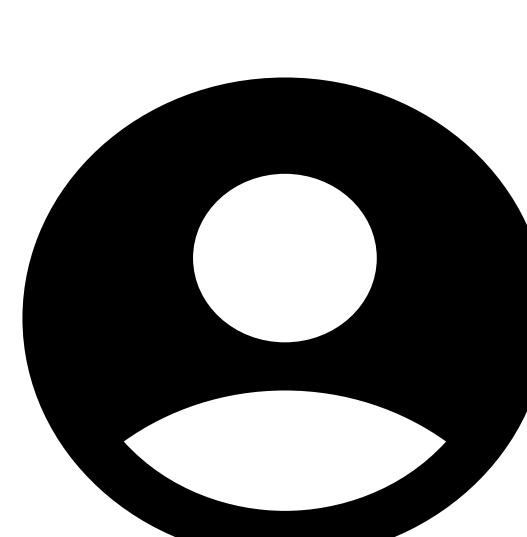

Over 7 years, DriveU has revolutionized the way consumers hire drivers for their private cars, and how businesses maintain a strong, reliable supply chain of professional drivers to transport vehicles. We have acquired over 700,000+ customers, 150+ businesses, that are served by 100,000+ background verified, uniformed professional drivers, and have completed 5M+ Million trips.

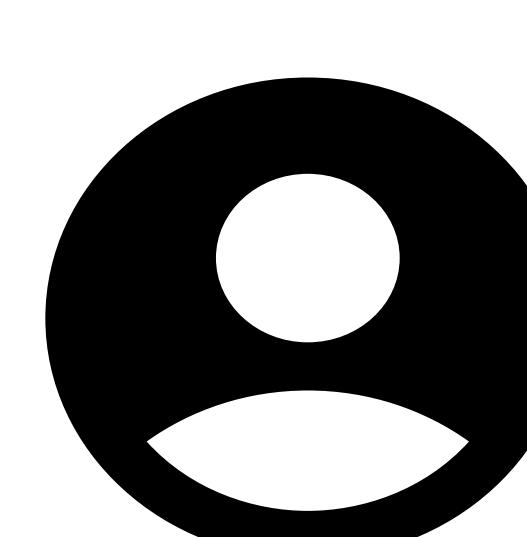

In 2021, we launched India's first Car Ownership Super App that allows users to book any service around car ownership such as general maintenance, roadside assistance, car cleaning, and much more! What's the big deal? Many services are infrequent and there's no real use for a "cashback" on something you book once a year. Well, now car owners can gain reward coins that can be immediately redeemed for exclusive partner offers, discounts, or products!
